## Specific Terms and Conditions:

1. All payments are fully paid in advance.
2. Ordering process is completed only when the payment process is successfully completed. Any problem in payment process would be discussed between the customer and the company before commencing of the project
3. All bank or payment gateway fees are at the customer's expense.
4. The order (sale order) and invoice may differ in values (unit count and other), if the company find any discrepancy or change in the parameters of the order, including error in automatic word count, and additional tasks if the customer added later.
5. All terms and conditions of the service are listed in the terms of service document that you accepted when ordering.
